

BOY SCOUTS TO HELP RAISE \$30,000 FUND TO LIGHT UP LIBERTY

Chief Scout Invites 400,000
Youths to Assist in
Movement.

Four hundred thousand United States boy scouts are being invited to-day by Gen. E. A. McAlpin, Chief Scout, and Thomas E. Jackson, their Adjutant General, to co-operate with the thousands of other citizens who are helping The World to raise \$30,000 for the permanent illumination of the Statue of Liberty.

The Greenwich Village Battalion joined the movement last night and passed a resolution to that effect by acclamation. Senator James J. Walker and former Senator William J. A. Caffrey addressed the meeting.

Tentative organization was effected during the day of a National Citizens' Liberty Illumination Fund Committee, at the head of which will be United States Commissioner General of Immigration Anthony Caminetti. This organization, which will be perfected within a few days, will bring into support of the fund. It is predicted, thousands of citizens to whom the Statue of Liberty has flashed a personal prophecy of freedom, as well as many others throughout the country with whose lives the illuminated figure may not have such an intimate association. The local Chairman of this National Committee will be Immigration Commissioner Frederic C. Howe.

The east side, to which go so many of those coming to this country inspired by the message which Bartholdi's statue flashes, evinced its continued interest in the project last night at a meeting held in the Lafayette Casino, No. 30 Avenue D, of the Young Men and Young Ladies' Auxiliary of the Israel Orphan Asylum.

Support of that body was pledged and plans made for an organized demonstration by fifty young women Sunday at Sheephead Bay. J. E. Leichter, President; Charles Schapiro, Henry Stein and Harry Schapiro, President of the East Side Protective Association, were speakers. Irving Light was empowered to receive contributions to the illumination fund.

WIVES MAY BE TEACHERS.

Women Win Against School Board in District of Columbia.
WASHINGTON, June 2.—The District Court of Appeals has affirmed the decision of a lower court that the rule of the school board automatically dismissing a woman teacher upon her marriage is illegal. This ruling will restore several women dismissed by the board. The case was brought in behalf of a teacher who was dismissed in September, 1914, after her marriage contracted in the previous July.

If a teacher becomes inefficient or fails to perform a duty or does some act which of itself impairs usefulness, then a good or reasonable cause for dismissal would exist," declares the decision handed down by Chief Justice Shepard.

NOT THERE NOW.

A few hours ago there was \$30,000 around Wall Street waiting to be bet on Mr. Fairbanks.

It is amazing to find discriminating people using a liquid for their dentifrice. The liquid is impracticable for use on a toothbrush, as the bristles absorb what does not drip off the brush.

A modern, scientific dentifrice like Albodon has as much antiseptic property as most liquids. It contains a higher percentage of actual cleansing and polishing ingredients than any other dentifrice, so it is the best preparation to keep the teeth clean. It does not melt or harden. It has no grit. It is not artificially colored.

Try it to-day. Albodon can be had at 25 cents a liberal tube wherever toilet articles are sold, and a free sample can be had by sending your name and address to The Albodon Company, Dept. B, 154 West 18th St., N. Y. A postal will do.
